

# ADDENDUM # 1 to SECTION C.01 Item Detail

## Invitation to Quote

SCBA & related apparatus as detailed in Section C

Issued by: The Town of Rose Valley together with

The Rural Municipality of Ponass Lake No. 367

FOR

THE ROSE VALLEY & DISTRICT VOLUNTEER FIRE DEPARTMENT

Contractors are advised to take the following into consideration:

- 1 The intent of the item detail is to give vendors a guide to configuring the SCBA. It is not intended to limit vendors to one manufacturer. The intent is to provide a relatively level playing field for all vendors.
  
- 2 The following sections are specifically open to substitution: harness and lumbar type.
  
- 3 If your company has demonstrated a SCBA to the Fire Department please quote the configuration demonstrated to the Fire Department. Detail the specific configuration of that model. If any item is an upgrade on the general configuration stated on the original quote please note the upgrade and cost detail of that option.
  
- 4 If your company has not demonstrated a SCBA to the Fire Department please use the general configuration in the original quote as a base. If the SCBA quoted has different configuration features please note this in your quote and quote your alternative.

Dated this 28th day of March, 2016

Marjorie Zarowny  
Administrator, Town of Rose Valley
