The Canada Community-Building Fund (CCBF) program, previously known as the federal Gas Tax Fund program in Saskatchewan, is administered by the provincial government to help support municipalities.

From 2005 to 2024 the Town of Rose Valley has been allocated \$309,920.71 in funding from the Canada Community-Building Fund (CCBF) program, previously known as the federal Gas Tax Fund program. Use of \$125,000 of this funding for replacement of 14 hydrants throughout the Town has been approved by the program. Additional details regarding the hydrant replacement project are available by contacting the Town Administrator at 306-322-2232.

Details on approved projects and expenditures under the Canada Community-Building Fund (CCBF) program, previously known as the federal Gas Tax Fund program, can be accessed as the “CCBF-Gas Tax Fund Municipal Summary 2021” posted on the Town website www.townofrosevalley.com.
